

# REVIVO *Chalk paint*

1. Apply Revivo Chalk paint with a brush. Create texture and depth by applying the paint in different directions.

## CREATING A DISTRESSED LOOK

1. Apply clear VIVACE wax to the dry paint to seal the paint. Apply the wax with a brush and immediately remove the excessive wax with a dry cloth.

2. Sand parts of the paint to achieve a distressed look.

3. Apply dark VIVACE wax to the parts you wish to additionally highlight.

Revivo Chalk paint is available in 26 shades (250 in 1000 ml).
