

VIWAX – Hard Wax Block

VIWAX Hard Wax Block turning wax, based on Carnauba wax, for polishing on the lathe; gives a nice gloss finish to lighter woods such as maple, birch, and pine without darkening their color and gives a final durable finish in one step.

Advantages:

Solvent free
High durable finish
Nice gloss

Application:

- Seal the surface with LignoSeal CELU or LignoSeal ALCO Sanding Sealer
- Sand the surface
- For best results you can apply Shake&Coat Friction Polish
- With the lathe on, rub the VIWAX bar along the surface to get a waxy haze; Apply small quantities, use sparingly and ensure the wax is spread evenly
- Buff with a clean cloth while turning.

Dimensions of the VIWAX block: approx. 100 x 35 x 30 mm (L x W x H)
